

"Remembering the victims and families of the September 11th terrorist attack through community service."

Evening Tribute to Honor South Bay Service Members

Show your support for South Bay families with loved ones serving our country overseas during a free evening tribute on Monday, September 11th

Sponsored by Assemblymember Jenny Oropeza, D-Carson, author of a resolution designating September 11th as a statewide Day of Remembrance and Service, the event will include special recognition of those who have sacrificed their lives fighting for our country.

Featured events include patriotic music, words of inspiration and presentation of California State flags flown over the State Capitol to family members of those who have lost loved ones.
